***Outdoor Ventures offers fishing trips
in Oregon for salmon, trout & steelhead***

Whether a novice or professional, fly caster or conventional gear angler, you will enjoy your amazing day on the river with our friendly, knowledgeable and experienced fishing guides.

Float down the river in a classic McKenzie style drift boat while fishing pristine green water for your favorite fish. These historic riverboats are comfortable, river worthy craft specifically designed to seek out fish as well as adventure!

Local rivers we fish include the famous McKenzie, Willamette, Santiam, Clackamas, Sandy, Rogue, Siuslaw and Umpqua.

Drift through lush green forests in the western Cascades or Oregon's coast range. View wildlife such as osprey, deer, river otters and bald eagles while seeking out the elusive salmon, trout or steelhead. While on the river, ask your guide for a tasty recipe to prepare your fish for the evening dinner!

***Enjoy relaxing full day, half-day or
evening fishing trips***

***Outdoor Ventures strives to provide you
with the most enjoyable fishing
experience possible***

To us, this entails (get it, tales!) adhering to local rules and regulations, educating our guests regarding local environmental facts and issues, as well as not harassing fish all day long with hook and release practices for the mere fun of it. Responsible recreational fishing is practiced during all Outdoor Ventures fishing trips. Realizing that a wonderful day on the river with good people and relaxing scenery will do more for the mind and body.
